We at Ross welding Supplies Inc. appreciate the opportunity to introduce our product lines and services to you today. We stand as a full line welding distributor in two locates with a full complement of items from Welding Machines, Welding Supplies, Industrial Gases, Safety Equipment and Bulk Propane. We have been a Customer Service Oriented company for 24 years who believes that service, pricing and knowledge is the key to success in the market place today and in the future. We offer extended hours beyond the normal operations in the area and support a 24 hour emergency operator service for the unforeseen problems. We have attached a line sheet for your review which will highlight our products and services from the Tarentum or Saxonburg locations in Pennsylvania. We operate one of the largest propane storage locations in the western Pennsylvania area of 180,000 gallons and also offer a 12 acre industrial staging area if required. Again thank you for your time, we look forward to a more in depth conversation in the near future.
