Propane for Residential, Commercial, & Industrial Use

Search no further. Ross Welding Supplies, Inc. maintains a large stock of the high-quality propane for all of your residential, commercial and industrial needs at a fair price. We provide propane for all aspects of home and commercial heating, as well as industrial use and temporary heat for construction. We also stock alternative fuels including hydrogen and specialty mixes to serve all of your fuel needs.

Propane for Fork Trucks

We serve the needs of propane-powered fork truck owners. Ross Welding Supplies, Inc. is proud to provide the most widely used alternative transportation fuel in the world: propane. With over 17 million propane-fueled vehicles in operation, these alternative energy vehicles can help lower your transportation expenses an average of 40 percent.

Propane Gas Fuel Delivery

Our residential, industrial, and commercial propane gas fuel delivery service offers you the convenience of never having to worry about running low on fuel. Let us help you save time and effort with our prompt heating fuel delivery, as well.

A Variety of Supplies to Meet Your Needs

Ross Welding Supplies is a full-service welding supply distributor, with locations in Tarentum, PA, and Saxonburg, PA. We offer a complete line of welding machines, supplies, industrial gases, safety equipment, and bulk propane. Along with a 12-acre industrial staging area, we also operate one of the largest propane storage locations in the western Pennsylvania area - nearing 180,000 gallons, in fact. We offer extended service hours, as well as 24-hour emergency operator services for any unforeseen issues.

As a customer service-oriented company, we place emphasis on our clients' complete satisfaction. Fair pricing, attentive service, and relevant knowledge is what we strive to provide for every customer, ensuring our success in the marketplace. Conveniently located in both Tarentum, PA, and Saxonburg, PA, we are able to offer our products and services to a wide range of customers throughout Western Pennsylvania. Please take a look at our product list if you are interested in quality welding supplies and services!

Exceptional Customer Service, Fair Pricing, and Propane Knowledge

We have been serving the local community for over 26 years and are a customer-focused company. At Ross Welding Supplies, Inc., we believe that exceptional customer service, fair pricing, and knowledge are the keys to our past and future success and that you, our customer, are the most important part of our business. We are here to serve you and are pleased to offer extended business hours, as well as 24/7 emergency service to address unforeseeable and emergency situations.

Ross Welding Supplies, Inc. is one of Pennsylvania's largest propane storage facilities, with a capacity of 180,000 gallons. We maintain a 12-acre industrial staging area for your use, as required. Our President, Ross A. Grimm, personally oversees each customer account to ensure that your needs and requirements are met with the highest degree of business ethics.

Total Customer Commitment and Reliable Fuel Delivery

We are fully dedicated to providing total commitment to serving the needs of our customers and take active steps to stand out from our competitors by providing you with the finest products and services. We strive to:

Develop long-term relationships with our customers by offering exceptional customer service and attending to the detailed needs of each customer.

Maintain company values and integrity, including the highest standards of professionalism and respect.

Meet all customer expectations through safe, reliable delivery of our superior fuel products.

Provide prompt response times for unforeseen problems.

Serve each client's energy needs attentively.

Get to know each customer on a personal “one-on-one” basis.

At Ross Welding Supplies, Inc., we appreciate your business and are constantly working to improve our team to provide reliable services that you can depend on. We provide our employees with the tools, experience, and skills to help them reach their highest potential to best serve you, our valued customer.
